If you have any queries regarding the fit or performance of your appliance you should contact the prescriber

ORIGIN OF MANUFACTURE DECLARATION:

This complete appliance has been wholly manufactured within the UK

WARNING:

**KEEP AWAY FROM EXTREME HEAT AND COLD TEMPERATURES.
THIS APPLIANCE IS SUPPLIED NON-STERILE**

Your attention is drawn to the following statement: This is a custom-made medical device that has been manufactured to satisfy the design characteristics and properties specified by the prescriber for the above-named patient. This medical device is intended for exclusive use by this patient and conforms to the relevant essential requirements specified in Annex 1 of the Medical Devices Directive (93/42 EEC) and the United Kingdom Medical Devices Regulations.

*This statement does not apply to medical devices that have been repaired and/or refurbished for an individual patient's use.
Storing, handling and instructions for use: It is recommended that before use, this medical device is stored in a clean and safe environment that prevents it from coming into contact with materials, equipment, acids, alkalis or bleaches that could cause physical or chemical damage to the medical device.*
